

Mending Babyloss Information

Thank you for contacting us, for reaching out. We are very sorry for your loss. We look forward to connecting with you. Attached you will find a Registration Form for the *Mending Babyloss Parent Support Group*. Thank for for taking a few moments to fill this out. Please tell us about yourself, your baby and your grief journey.

Mending Babyloss is a bereaved support group in Bellingham, WA facilitated by trained volunteers. The group is for parents, who have lost a baby to miscarriage, stillbirth, termination for medical reasons or death within the first year of life. While it is not therapy or a treatment group, it is a mutual support group. The closed support group meets for 8 weeks at 241 N Commercial Street in Bellingham in the early evening. The time is decided by the needs of our parents.

A closed group is a safe and intimate circle between 3 -5 parents. “Closed” means once a group has started, others will not be able to join until the next session. Your place in the group is held when we receive your Registration Form.

A registration fee for the 8 week support group is \$50. This registration fee helps Mending Babyloss pay for resources, meeting space, copy costs, brochures, books and DVDs. If the registration fee is unaffordable, please let us know in order to to adjust for you to attend.

We look forward to meeting you.

Blessings,

Marguerite Johnson
